

# Tech: Cimatron appoints MyGrowTech to cover Singapore, Malaysia, Thailand

Israeli - backed Cimatron Limited, a NASDAQ listed company, has entered into an agreement with Malaysian company MyGrowTech s/b under which the latter will become an authorised reseller and tech support provider for Singapore, Malaysia and Thailand.

MyGrowTech is a new company founded by engineers with over 10 years of experience in the manufacturing software industry, now offers sales, support and training for both of Cimatron's main product lines, CimatronE and GibbsCAM, according to a statement from Cimatron.

Cimatron, on the other hand, has been around for some 25 years as a provider of integrated, CAD/CAM solutions for mould, tool and die makers as well as manufacturers of discrete parts.

The plan is to introduce GibbsCAM and CimatronE to the Asia Pacific market with the backup of full local support.
